# '66

As seniors, we represent the capsule of the rocket, the last and most important stage.

Hi Candy! (Honey)
Dawlar D just can't think of any-thing to say- to you (Anyone else D might could) The reason D - wrote Candy (above) is because D can't make a "J". Well - D guess you think D'm crazy But D can't think of much to say. due to the close relation--ship - we've had. But D've really enjoyed knowing you (and liking you) and D think you're a real swell guy! (Oh. "heck" D smeared it) Well - anyway as long as D keep your friendship. D guess D'll be satisfied - Well - Remember <u>you</u> love <u>me</u>

Love Ya
Wandd -

(Best of luck
with Nora?)

P.S. Don't let anyone write on my page! Look under my cheer-leading picture!

Jerry,
Imagine! Our Freshman year is almost over. We have been teased and called "punk Freshmen" long enough though. Next year we can tease the others. It has been fun though. Especially in Mr. Sloan's room. It was always me talking and you would have to stay in at recess and get F's on conduct just on account of me. We have had fun this year out of school, too, but that is beside the point!! Most of the time I was just someone to whom you could talk about your old girl friends. Oh, well so much for now. Good luck with your old girl friends (and no Nora?) and better luck next year with Mr. Sloan! 84

Love ya!,
Penk

Jerry,

We've had some good times together haven't we? Especially when we were little. Hope we will have many more together. Hope you will futhur your education and make something of yourself. ("you" meaning it - Ha! Ha!) WANDA Hope you will have the best of luck with Wanda. May God bless you and keep you near. (Near Wanda) Best of luck to you and yours.

Your friend,
Linda
